AGENDA OF THE EXTRAORDINARY GENERAL MEETING

I. Renewal of authorisations relating to authorised capital.

A. Reading the special report of the sole director on the basis of Article 7:199 of the Companies and Associations Code

As this is simply providing information, no decision is required for this point.

B. Proposals for authorisations relating to the authorised capital

Proposals to be put to the vote:

Authorise the sole director of the Company to increase the capital on such dates and on such conditions as he shall determine, on one or more occasions, up to a maximum amount of:

- a. 50% of the amount of the capital on the date of the Extraordinary General Meeting which will approve the authorisation, rounded up or down, if the capital increase to be carried out is a capital increase by cash contributions,
 - iii. with the possibility of exercising the preferential right for shareholders of the Company, as provided for in Articles 7:188 and following of the Companies and Associations Code, or
 - iv. with the possibility for shareholders of the Company to exercise rights granted in a rights issue, as provided for in Article 26, §1, para. 1 and 2 of the Act of 12 May 2014 on regulated real estate companies (the "SIR Act");
- b. 20% of the amount of the capital on the date of the Extraordinary General Meeting which

will approve the authorisation, rounded up or down, if the capital increase to be carried out is a capital increase within the framework of the distribution of an optional dividend, as provided for in Article 26. §1, last paragraph of the SIR Act;

- c. 10% of the amount of capital on the date of the Extraordinary General Meeting which will approve the authorisation, rounded up or down, for:
 - (i) capital increases by contributions in kind,
 - (ii) capital increases by contributions in cash without the possibility for the shareholders of the Company to exercise the preferential right or rights through a rights issue, it being understood that the preferential right may therefore be removed in this context, even in favour of specific persons other than members of the Company's staff or one of its subsidiaries (in compliance with the SIR Act and the conditions provided for by this authorisation and Article 7.1 of the Articles of Association), or
 - (iii) any other form of capital increase.

The capital, within the framework of this authorisation, may not under any circumstances be increased by an amount greater than the cumulative amount of the various authorisations referred to above in terms of authorised capital.

Capital increases decided by the sole director may also be carried out (i) by incorporating reserves, (ii) with or without the creation of new securities and (iii) by issuing convertible bonds, subscription rights or any other securities representing the capital or giving access thereto.

Each proposed authorisation will be granted for a period of **five years** from the date of publication of the minutes of the Extraordinary General Meeting which approves the authorisation published in the Appendices to the Moniteur Belge.

It is specified that the Company does not request any authorisation allowing it to use the authorised capital in the event of a takeover bid. Therefore, the authorised capital may no longer be used upon receipt by the Company of the communication made by the FSMA that it has received a notice of a takeover bid for the Company (except in the cases provided for by law).

The sole director invites you to approve the proposed amendments, by means of a separate vote on each item on the agenda I.B. a., b., c., it being understood that depending on the result of the vote on each of these items, the final text of Article 8 of the Articles of Association may be changed in the meeting. The full text of the amendments proposed to Article 8 of the Articles of Association is included in the special report referred to above as well as on the Company's website www.ascencio.be.

The authorisations relating to the authorised capital contained in the Company's current articles of association, granted by the extraordinary general meeting of 17 October 2019, shall be replaced by the new authorisations proposed as of their entry into force. If the proposed new authorisations are not approved, the current authorised capital authorisations will continue to apply.

The FSMA has approved the proposed amendments to the articles of association.

These proposals to be voted on are subject to a special majority of at least three quarters of the votes cast without taking into account abstentions in the numerator or denominator, and require the approval of the sole director.

The sole director invites you to adopt these proposals.

II. Renewal of authorisations relating to the acquisition, receiving in pledge and alienating of treasury shares.

Proposals to be put to the vote:

The General Meeting decides to:

- a. Grant to the sole director the authorisation to **acquire** (by way of purchase or exchange) and receive in pledge, directly or on behalf of the Company, treasury shares of the Company at a unit price which may not be less than 85% of the closing price of the day preceding the date of the transaction (acquisition and receiving in pledge) and which may not exceed 115% of the closing stock market price of the day preceding the transaction date (acquisition and receiving in pledge) without the Company being able at any time to hold more than **ten percent (10%)** of all issued shares.

The proposed authorisation will be granted for a period of five years from the date of publication of the minutes of the Extraordinary General Meeting which approves the authorisation published in the Appendices to the Moniteur Belge.

- b. Specifically grant the sole director the statutory authorisation to **transfer the Company's** treasury shares **to one or more specified persons other than the staff of the Company or of its subsidiaries.**

- c. Specifically authorise that the aforementioned authorisations extend to shares in the Company that are acquired, received in pledge and alienated by one or more subsidiaries of the Company, within the meaning of the legal provisions relating to subsidiaries acquiring or receiving in pledge shares in their parent company, when such authorisation is required by these provisions.

The sole director invites you to approve the proposed amendments, by means of a separate vote on each item on the agenda II. a., b., c., it being understood that depending on the result of the vote on each of these items, the final text of Article 11 of the Articles of Association may be changed in the meeting. The full text of the amendment proposed to Article 11 of the Articles of Association is available on the Company's website www.ascencio.be.

The current authorisations to acquire, receive in pledge and alienate treasury shares, granted by the Extraordinary General Meeting of 17 October 2019, will be replaced by the new authorisations proposed as of their entry into force. If the proposed new authorisations are not approved, the current authorisations to acquire, receive in pledge and alienate treasury shares will continue to apply.

The FSMA has approved the proposed amendments to the articles of association.

These proposals to be voted on are subject to a special majority of at least three quarters of the votes cast without taking into account abstentions in the numerator or denominator, and require the approval of the sole director.

The sole director invites you to adopt these proposals.

III. Delegations of powers in order to carry out formalities

Proposed decision:

The General Meeting decides to confer:

- on the sole director all powers to execute the decisions taken, with the option to delegate;
- on the Notary receiving the deed, all powers to file and publish the minutes and to coordinate the Company's articles of association.

This proposal can be approved by a simple majority of the votes cast.

The sole director invites you to approve this proposal.
